RE: Michael Joseph and Paige Obrig

It was truly our pleasure to have Michael Joseph and Paige Obrig visit the Fargo Fire Department on August 27, 2002. I found Michael and Paige to be honest, as well as very personable during their time spent with us in Fargo.

If anyone has the chance to host Michael Joseph and Paige Obrig as we did in Fargo, I would highly recommend this opportunity.

I appreciated the professionalism displayed by these individuals and wish them luck in their endeavors.
