Frank Kristopik of Southington and daughter Ashleigh, 4, write a message on a Sept. 11 memorial banner while on the Southington Town Green Tuesday afternoon. City officials, local fire, police, and rescue workers, and residents from area communities were invited to write messages on the banner, which traveled over 21,000 miles across 48 states. The concept of the 'Love Letter from America' came from artist/photographer Michael Joseph and partner Paige Obrig. Joseph is a graduate of Southington High School, Class of 1980.
